

DATE  
20.12.2018

Detail A  
Position pin hole  
Scale: 2:1

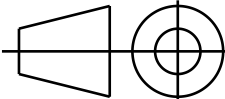

Detail B  
Fixing screw hole  
Scale: 2:1

Area reserved for  
connectors/components, etc.  
See note

LED center marking

**Note**  
Component pocket max. height at center point is 4.77mm  
Pocket width at PCB level is 17.89mm  
Pocket width at top surface is 12.8mm  
Please see 3D mechanical model for more detailed dimensions and geometry
