

LEDiL's MINNIE-LT family – New reflectors at better price

As part of our continuous improvement process regarding manufacturing LEDiL has created a new version of the MINNIE family i.e. MINNIE-LT. With a new ingenious design that integrates the holder and reflector characteristics while maintaining the optical performance LEDiL now offers a interchangeable even more affordable option.

FEATURES

- Optimized for Philips Lumileds Luxeon M and Cree MK-R LEDs
- Integrated holder design
- Compatible with existing MINNIE range, no design changes needed
- Highly efficient optical performance
- Lower cost and easier installation than metallic reflectors

TYPICAL APPLICATIONS

- MR11 retrofits
- Downlights and spotlighting
